

Visual Representation of the Data

The screenshot shows a Windows application window titled "FrmMain" with a menu bar (File, Windows, Help) and a toolbar. The main area contains a form titled "frmOrder (Window - 1)". The form has three input fields at the top: "ID", "Name", and "Date". Below these is a section titled "Order Detail" containing a table with four columns: "Item", "Price", "Qty", and "Amount". The table has three rows with "Item" values of 1, 2, and 3. Below the table is a "Total:" label followed by an input field. At the bottom of the form are three buttons: "Process", "Retrieve", and "Delete".
